

# CAMP NOU

## FC BARCELONA

LIBRO 1

**“** *Somos más que un equipo de grandes estrellas, somos más que un campo lleno de sueños, somos más que los goles que hemos marcado y más que los títulos que hemos ganado a lo largo de nuestra historia”.*

*FC Barcelona*

---

## **MÉS QUE UN CLUB**

En cuanto entras al impresionante estadio Camp Nou, lo primero que ves es “Més que un club” en grandes letras compuestas con los asientos de la grada este. La frase, lema y mantra del FC Barcelona, es un recuerdo constante de quiénes son y lo que representan. Desde sus inicios, el objetivo del club, fundado en 1899, fue crear una organización regida por sus socios, con una firme voluntad de arraigo en la identidad característica de Cataluña, que promoviera valores como la humildad, el esfuerzo, la ambición, el trabajo en equipo y el respeto. El FC Barcelona sigue siendo una institución futbolística única, con un estadio emblemático y fieles seguidores en todo el mundo.

**“  
Blaugrana al vent un  
crit valent tenim un  
nom el sap tothom:  
Barça, Barça, Barça!”**

*Himno oficial del FC Barcelona en catalán*

---

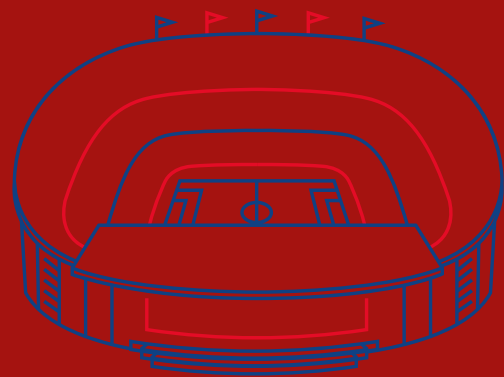

## **MÁS QUE UN ESTADIO**

Ante la imposibilidad de ampliar el Camp de Les Corts (sede del club desde 1922), a principios de la década de 1950 se tomó la decisión de edificar un estadio completamente nuevo. Los arquitectos Francesc Mitjans y Josep Soteras crearon un diseño basado en una estructura de hormigón y hierro con dos anillos de gradas continuas. Se empezó a construir en marzo de 1954 y se terminó tres años más tarde, con un coste total de 288.088.143 pesetas. Su capacidad inicial de 93.053 espectadores lo convirtió en su momento en el mayor estadio de España; aún lo es, y se mantiene como el cuarto más grande del mundo. Aunque originalmente se llamó Estadi del FC Barcelona, popularmente siempre fue conocido como Camp Nou ("campo nuevo" en catalán), que pasó a ser el nombre oficial del estadio en 2001.

# SIETE DÉCADAS DE MAGIA

El Camp Nou ha sido testigo de momentos muy especiales que han pasado a la historia del fútbol y vivido diversas remodelaciones importantes a lo largo de las últimas décadas.

1951-1952

- El FC Barcelona gana cinco copas en una sola temporada. Este período de constantes éxitos acentúa aún más la necesidad de un nuevo estadio.

1957

- El nuevo estadio abre sus puertas el 24 de septiembre de 1957. El FC Barcelona gana el partido amistoso de inauguración contra una selección de Varsovia por 4-2.

1958

- El FC Barcelona gana la final de la Copa de Ferías al imponerse al equipo que conformaba la selección de Londres.

- Se televisa un partido del FC Barcelona por primera vez. Como los televisores eran muy caros en la época, el acontecimiento congregó grandes multitudes delante de las tiendas que los vendían.

- Los aficionados del FC Barcelona reafirman la identidad catalana del club con una exhibición masiva de banderas catalanas en un partido contra el Real Madrid.

1959

- La iluminación del estadio se instala en 1959.

1963

- El FC Barcelona vence al Real Zaragoza en la final de la 61 edición de la Copa del Rey por un resultado de 3-1.

1974

- Tras la llegada de Johan Cruyff, el FC Barcelona gana su primer título de liga en 14 años.

1975

1976

- El marcador electrónico llega en 1976.

“  
Mil vuit-cents noranta nou.  
Neix el club que porto al cor.  
Blaugranes són els colors.  
Futbol Club Barcelona”.

*Càntico en catalán coreado por los seguidores del club*

1982

Se amplía la capacidad del Camp Nou en 22.150 plazas nuevas en la tercera grada, conformando un aforo total de 120.000 localidades.

1982

- El estadio es el escenario de la ceremonia inaugural y el primer partido de la Copa Mundial de 1982. Durante este torneo, acoge más encuentros que cualquiera de los otros 16 estadios.

1984

- Se inaugura el Museo del Club en las dependencias del estadio.

- El 5 de marzo de 1986 se establece el récord de asistencia al campo en el partido de cuartos de final de la Copa de Europa disputado entre el FC Barcelona y la Juventus delante de 120.000 espectadores.

1986

1991

- El Dream Team de Johan Cruyff gana el primero de cuatro títulos de liga consecutivos.

- Durante los Juegos Olímpicos de Barcelona 92, el Camp Nou acoge parte de la competición. Los Juegos Olímpicos cambiaron la ciudad para siempre y pusieron a Barcelona definitivamente en el mapa mundial.

1992

1999

- Se colocan asientos en la última de las secciones con localidades de pie. De esta manera, el aforo del Camp Nou quedaba en los 99.000 asientos que tiene ahora.

- En un partido en el que solo les servía la victoria para asegurarse una plaza en la Liga de Campeones, Rivaldo marca un gol decisivo en el minuto 89 del encuentro contra el Valencia, que acaba con el triunfo por 3-2 de su equipo.

**2001**

- Tras una consulta entre los socios del club, el que había sido nombre oficial del estadio, Estadi del FC Barcelona, se cambia al más popular Camp Nou.

**2007**

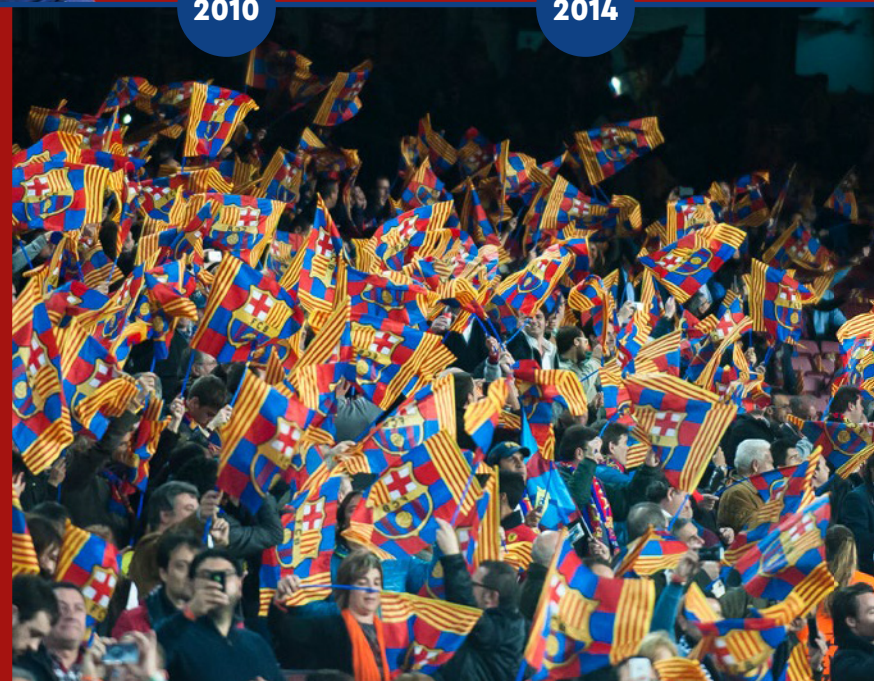

- El gol a lo Maradona marcado por el jugador de 19 años Lionel Messi al Getafe (que perdió 5-2) se convierte en uno de los mejores de la historia del FC Barcelona.

**2010**

- El FC Barcelona vence por 5-0 a su mayor rival, el Real Madrid, en una exhibición histórica.

**2014**

- El FC Barcelona anuncia sus planes de renovación del Camp Nou para ampliar su capacidad a 105.000 localidades.

- El Camp Nou acoge su primera final de la Copa del Rey, que concluyó con un resultado de 3-1 para el FC Barcelona frente al Athletic Club.

2015

2017

- El FC Barcelona, que partía con 4 goles en contra desde el choque de ida en la Liga de Campeones, logra vencer al Paris Saint-Germain por 6-1. Conocida como la Remontada, la hazaña se calificó en los medios de "apoteósica", "increíble" y "un milagro", firmándose con un gol final marcado en el minuto 95 del encuentro.

---

## IMPRESIONES DEL EQUIPO DE DISEÑO

Rok Zgalin Kobe empleó todas sus habilidades como arquitecto de formación y diseñador sénior de LEGO® para recrear el Camp Nou con elementos LEGO: *"Tuve que conciliar el ritmo exterior de la fachada con los tres niveles de gradas para que todo encajara perfectamente. Las sutiles curvas y gradientes se recrearon con placas y ladrillos LEGO rectangulares. Para conseguir la curvatura de cada uno de los cuatro lados, se construyeron en secciones que se conectan entre sí usando clips LEGO. El modelo se separa en cinco bloques, lo que permite transportarlo más fácilmente".*

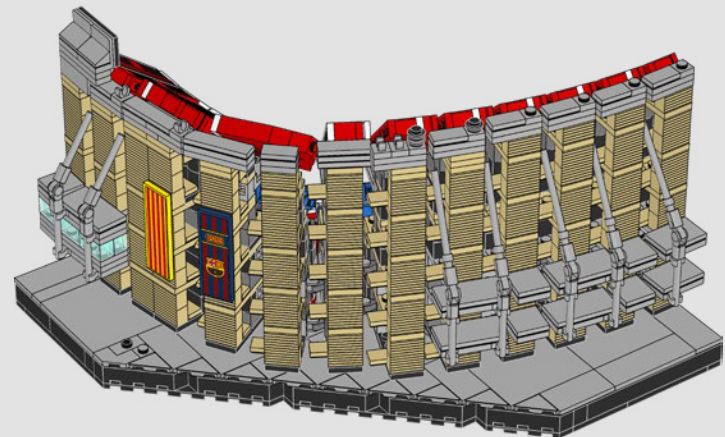

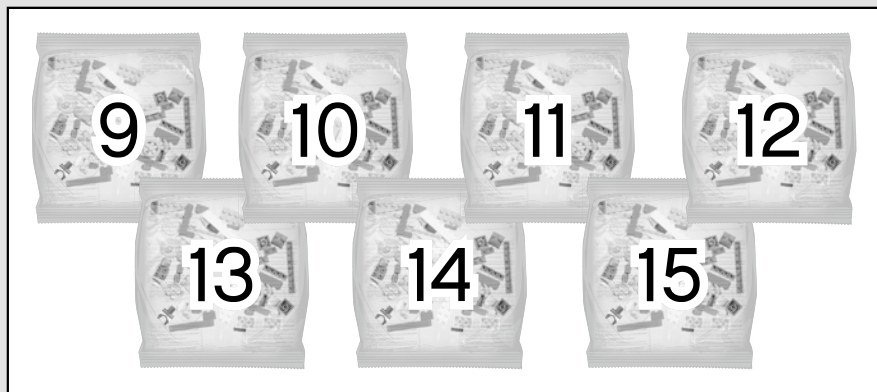

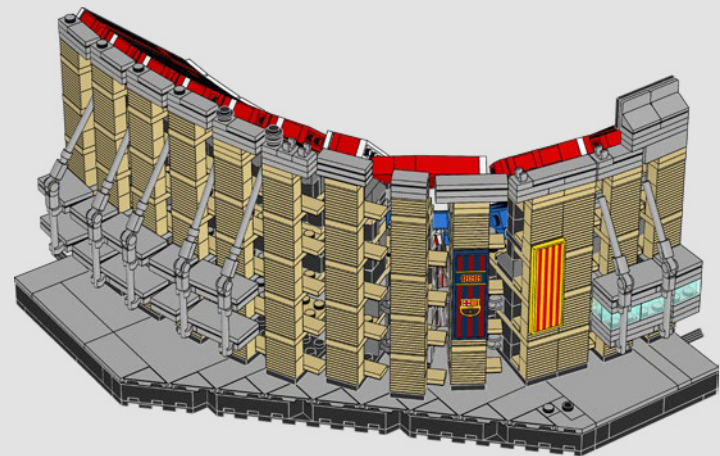

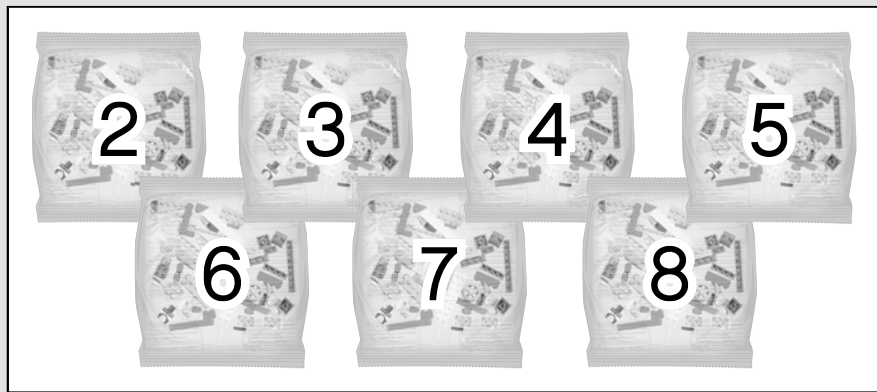

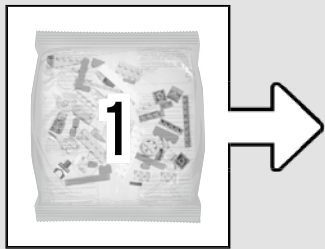

**“ Con frecuencia, los detalles pequeños y divertidos son los que marcan la diferencia. Por ejemplo, creé la estructura de la cubierta situada sobre la tribuna principal con hojas y empuñaduras de espadas láser LEGO® Star Wars™. Y en el sector sur del estadio hemos aparcado incluso un modelo LEGO a microescala del autobús del FC Barcelona. Es azul y está cubierto de pegatinas que representan el cántico ‘Barça, Barça, Barça’ y el escudo del club”.**

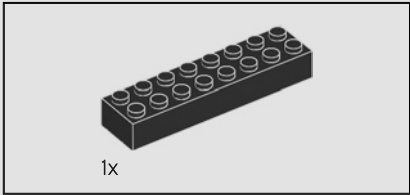

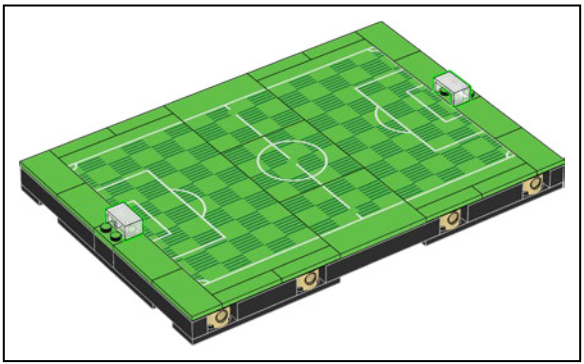

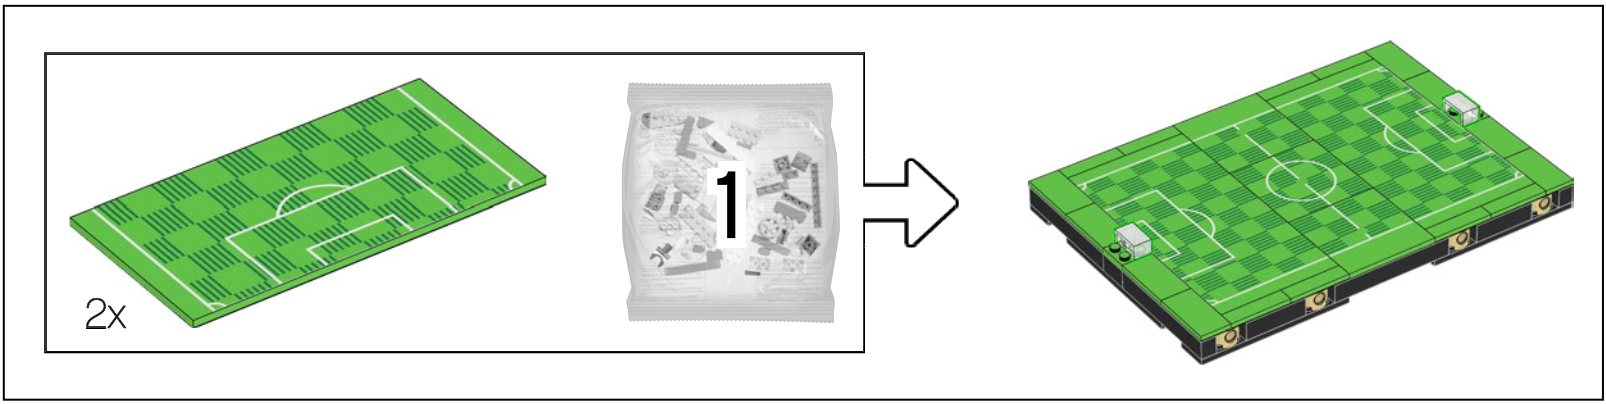

Rok Zgalin Kobe  
Diseñador sénior de LEGO

La zona de asientos ubicada en el lado oeste del estadio se denomina "Tribuna"; en ella puede verse en grandes letras amarillas el nombre de la entidad: FC BARCELONA.

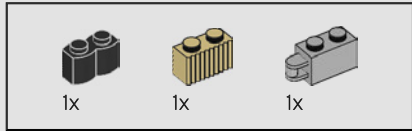

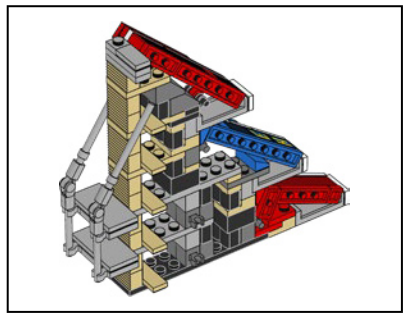

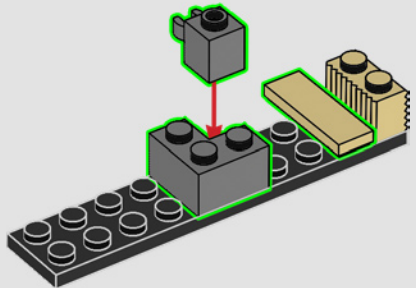

La zona de asientos ubicada en el lado este del estadio se denomina "Lateral" y se reconoce al instante por el enorme lema MÉS QUE UN CLUB que dibujan los asientos amarillos en contraste con los azules.
