## A Motoring Icon

The pickup truck is an iconic piece of motoring history. With its open back or "bed" it allowed goods to be loaded and hauled faster and further than ever before, becoming the tough, versatile workhorse for a whole generation. This particular LEGO® model is inspired by the vintage pickup trucks of the 1950s and includes the seasonal produce of a typical small, local farm.

## Une icône de l'automobile

La camionnette est un emblème de l'histoire de l'automobile. Grâce à son plateau découvert, elle a permis de charger et de transporter des marchandises plus rapidement et plus loin que jamais, devenant le véhicule polyvalent à toute épreuve de toute une génération. Ce modèle LEGO® est inspiré des camionnettes des années 1950 et comprend des produits saisonniers d'une petite ferme locale typique.

## Un icono del automovilismo

La camioneta es una pieza fundamental de la historia de los automotores. La plataforma trasera descubierta permitió cargar y transportar mercancías más rápido y a mayor distancia que nunca, lo que dio lugar a la bestia de trabajo más resistente y versátil de toda una generación. Este singular modelo LEGO® está inspirado en las camionetas retro de los años 50 e incluye los productos de temporada de una pequeña granja local típica.

## From the Design Team

The LEGO® design team spent hours studying the iconic pickup trucks of the period and just as long again trying to capture the iconic form and features of this type of vehicle. *"The rounded shape was a particular challenge to recreate with LEGO elements, while the model also had to include a stepside bed, tailgate and removeable wooden side rails to make it as authentic as possible."*

## Un mot de l'équipe de conception

L'équipe de conception LEGO® a passé de longues heures à étudier les camionnettes emblématiques de l'époque et à essayer de reproduire la forme et les caractéristiques spécifiques de ce type de véhicule. *« La forme arrondie était particulièrement difficile à recréer avec des éléments LEGO, et le modèle devait également inclure un plateau avec les passages de roues à l'extérieur, un hayon et des ridelles latérales en bois amovibles pour le rendre aussi fidèle à la réalité que possible. »*

## Impresiones del equipo de diseño

El equipo de diseño de LEGO® pasó muchas horas estudiando las clásicas camionetas de la época y dedicó no menos tiempo a tratar de capturar la inconfundible forma y las características propias de un vehículo de este tipo: *"Recrear las formas curvas con elementos LEGO resultó ser un desafío muy particular. Además, el modelo tenía que incluir el escalón de la plataforma de carga, el portón trasero y las barreras de madera removibles si queríamos alcanzar el máximo grado de fidelidad".*

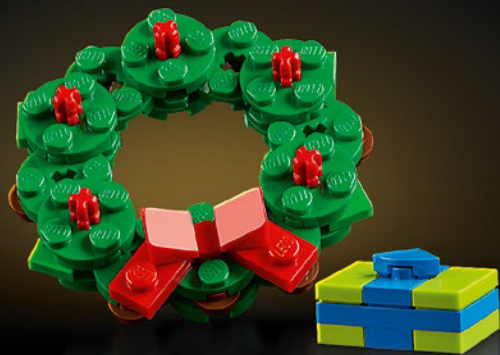

## The Four Seasons

The truck in this set belongs to a farm, so the accessories represent products you would find in a farmer's market across all four seasons. For spring, there is a wheelbarrow with flowers and a watering can. For summer, there are 2 wooden baskets with tomatoes and carrots, and a milk pail. For autumn, there is a crate with small pumpkins and a sign. And for winter, there is a wreath and a wrapped gift.

## Les quatre saisons

La camionnette de cet ensemble appartient à une ferme, alors les accessoires représentent les produits que vous trouveriez dans un marché fermier au fil des saisons. Pour le printemps, il y a une brouette avec des fleurs et un arrosoir. Pour l'été, il y a 2 paniers en bois avec des tomates et des carottes, ainsi qu'un bidon de lait. Pour l'automne, il y a une caisse avec de petites citrouilles ainsi qu'une pancarte. Et pour l'hiver, il y a une couronne et un cadeau emballé.

## Las cuatro estaciones

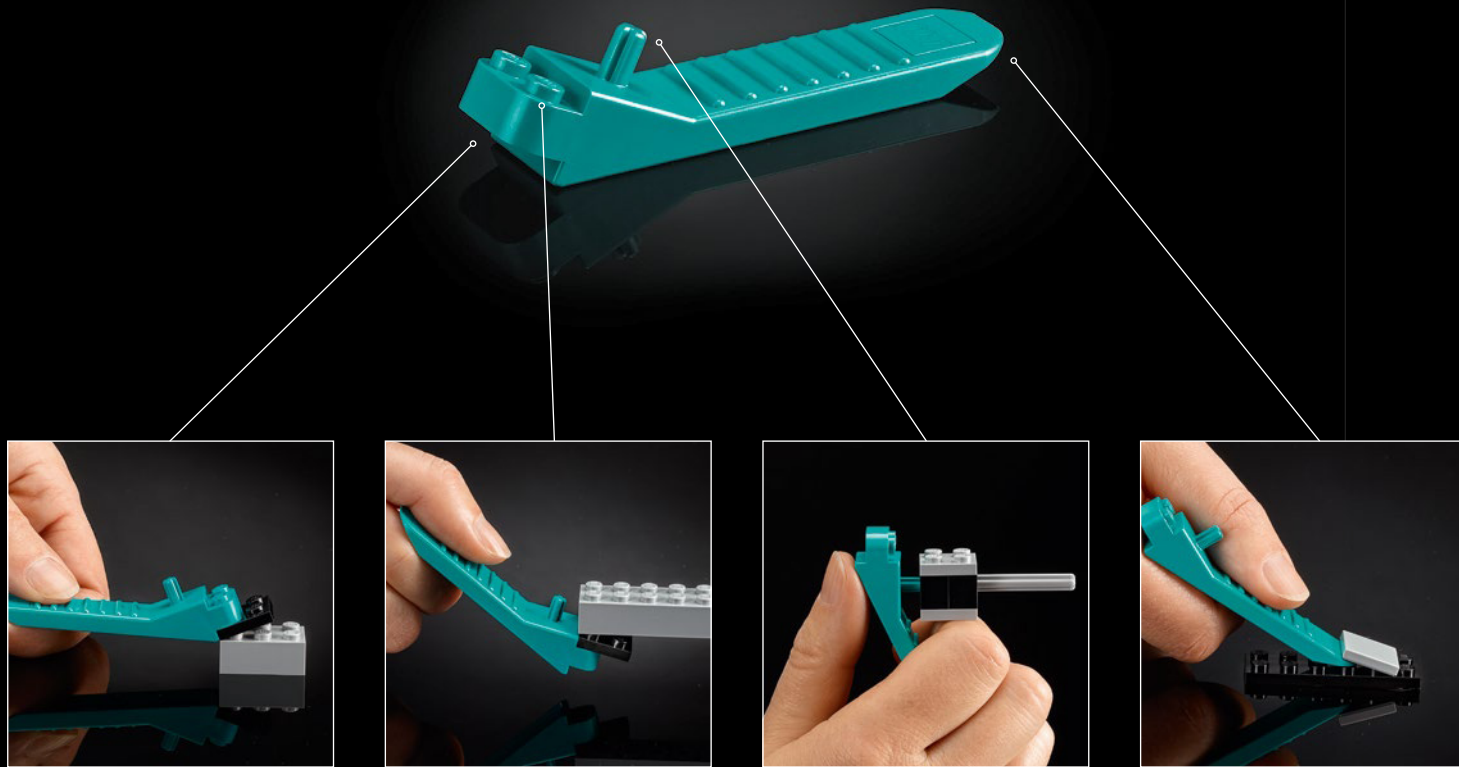

La camioneta que reproduce este set pertenece a una granja, así que los accesorios representan productos que encontraríamos en un mercado de agricultores en cualquier época del año. Para la primavera, hay una carreta con flores y una regadera. Para el verano, hay 2 canastas de madera con tomates y zanahorias, y un bidón de leche. Para el otoño, hay una caja con pequeñas calabazas y un letrero. Y, para el invierno, hay una corona y un regalo envuelto.
