ANDERSON WARD GRUBB
Designer of the 10312 Jazz Club

WELCOME

Get ready for a great night out with live music, entertainment and delicious food! Inspired by classic architecture and infused with our favourite music from the golden age of jazz, this hot new music venue is a fresh addition to the LEGO® Modular Building series. Whether this is your first modular set, or you have been building your LEGO street from the beginning, you are always invited to build to your own tune.

They say that in jazz, the notes that you don't play are just as important as the ones you do! Whether you're playing music notes or playing with LEGO® bricks, just play your own way!

LET THE MUSIC PLAY

Music can act as a virtual time machine that instantly takes you back to magical memories and moments in time or invites your imagination to travel to destinations you always dreamed of visiting. Play your favourite album on your vintage record player, jive into the LEGO® Icons Jazz Club and feel the thrilling atmosphere of this vibrant, mid-century magic and music melting pot full of creative, passionate performers, chefs and guests. Watch the show from the manager's office, grow produce for the kitchen in the rooftop greenhouse, feel the jitters in the dressing room, order a late-night snack, or enjoy a meal in the sidewalk café on a sizzling summer evening. No ticket or reservation required; your imagination grants you VIP access.

Can't you just hear the 'boom-cht' sound of the bass drum and snare, and the 'tss-t-t-tss' of the cymbal?

50

The pizza chef grows some of his own ingredients in the rooftop greenhouse. Others he purchases fresh at the LEGO® 10185 Green Grocer.

Tonight, the bass player plays his debut performance. He's been practising very hard when he's not working at the LEGO® 10232 Palace Cinema.

52

The club owner wanted something special for her office, so she ordered this unusual desk that is oriented to a 45-degree angle.

185

186

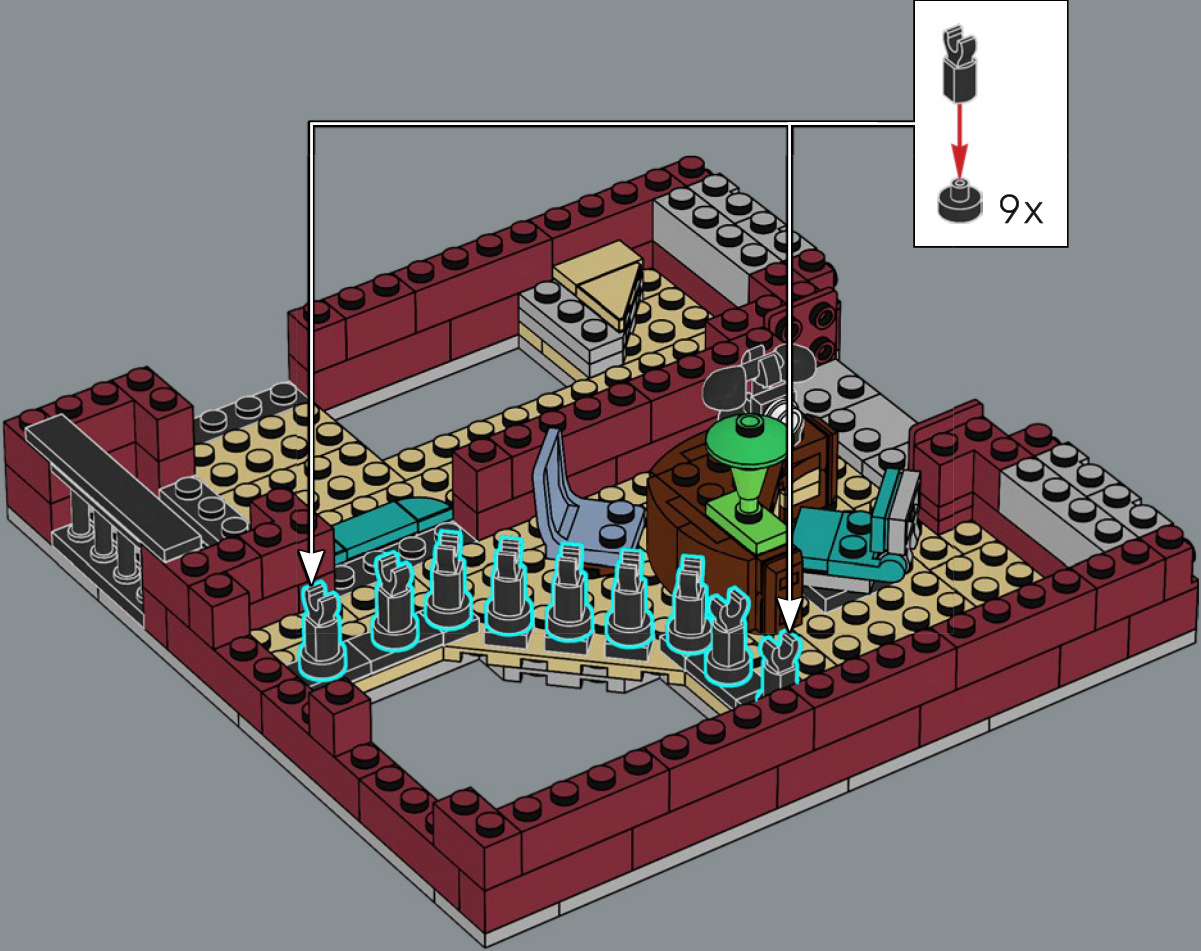

The club owner loves spotting up-and-coming artists and giving them a chance to shine on stage. She was one of the first to recognise the talent of the saxophone player from the LEGO® 10255 Assembly Square.

187

The manager has her own private balcony where she can listen in on the evening's performances.
