"Al giorno d'oggi,
essere nella Natura
sta diventando
un evento raro.
Siamo una società

urbana e dipendente dalla tecnologia.
Ma abbiamo bisogno della Natura per
relazionarci e capire noi stessi. Il Giardino
Tranquillo LEGO®, ispirato ai giardini
giapponesi, ci riporta alla mente la Natura,
almeno simbolicamente. Che è una delle
cose più importanti per la nostra vita".

HOICHI KURISU

Designer e costruttore di giardini giapponesi

Creato per una vita ricca di mindfulness

● Segui i gradini fino al tuo padiglione privato, mettiti comodo, rilassati e diventa, almeno per un attimo, tutt'uno con la natura. Oppure rimani tutto il tempo che vuoi.

Ispirato ad elementi delle tradizioni millenarie dei giardini giapponesi, questo set è stato creato in collaborazione con Hoichi Kurisu, che vanta un'esperienza pluriennale nella creazione di giardini orientati alla mindfulness. Un rifugio sereno dove riflettere e ricaricarsi senza distrazioni. Ogni elemento del giardino permette di soffermarsi sulle meraviglie colorate e sulla bellezza giocosa della Madre Terra. Mentre trascorri del tempo nel tuo giardino, lascia che le stagioni vadano e vengano. Senti la tua creatività sbocciare a ogni visita, riorganizza il paesaggio, pianta nuova vegetazione LEGO® o aggiungi gli ornamenti decorativi che ti stanno più a cuore. Prepara una teiera con il tuo tè matcha preferito, sintonizzati su una colonna sonora rilassante, indossa le tue pantofole più comode e goditi il tuo spazio mentale.

Prenditi cura del tuo giardino

● Costruire un set LEGO® può essere un'evasione immersiva, come leggere un bellissimo libro. Ti permette di concentrarti su un'attività divertente e ti dà una sensazione di orgoglio e gratificazione anche molto tempo dopo il completamento. Puoi tornare in questo giardino tutte le volte che vuoi. Cura gli elementi e cambia il paesaggio come faresti con un vero giardino o con un bonsai. Pota o ripianta i ciliegi in fiore, i lussureggianti sempreverdi e il bambù, oppure sposta le lanterne di pietra per adattare al tuo stile e al tuo umore. Osserva i vibranti pesci Koi e le ninfee nello stagno gorgogliante e arrenditi alla tua libertà creativa.

"Dai al set il tuo tocco personale
in base al tuo umore".

MICHAEL PSIAKI E CARL MERRIAM
Designer del modello LEGO® Icons

Le forme degli stagni di solito rappresentano un *kanji* (caratteri della scrittura giapponese) con un significato importante, come *kokoro*, o "cuore".

Le isole in questi giardini possono essere simboli di montagne mistiche o mitiche, tartarughe o gru (spesso associate alla longevità).

Riconosci il design del telaio di base di questo modello?
Abbiamo riutilizzato il design del vaso dei fiori del set Albero
Bonsai LEGO® Icons 10281 per ricreare un aspetto simile.

I sentieri tortuosi invitano a osservare il giardino (e forse anche altre cose?) da diverse prospettive.

Pietre, rocce e sabbia spesso conferiscono un significato più profondo al terreno.

116

117

118

Le lanterne e le strutture che portano i segni delle intemperie aggiungono profondità e atmosfera al giardino e ci invitano ad abbracciare il trascorrere del tempo.
