Disney
100

For a century, Disney movie magic has captured generations of fans worldwide. Join us in celebrating four trail-blazing, animated heroes who each made Disney™ history.

OSWALD THE LUCKY RABBIT

This peppy little prankster's talent for thinking on his (lucky) feet always gets him out of comical predicaments. Oswald tackles every tricky situation with (sometimes unwarranted) confidence and a savvy sense of humour. Oswald first debuted in *Trolley Troubles* in 1927 and was featured in 25 theatrical cartoons. In 1928, rights were acquired by Universal Studios and Walt Disney was forced to explore new directions.

"Oswald will not only be able to hold his own with competition but will set a pace that will make the others hustle."

- Walt Disney

MICKEY MOUSE

After all these years, Mickey Mouse remains as plucky and joyfully mischievous as ever. A loyal and caring friend and leader, he relies on his generous heart, humour and keen wit to solve every problem, and his curiosity and passion for exploring new things take him on incredible adventures with his friends. Mickey Mouse starred in Disney's first cartoon with synchronised sound; *Steamboat Willie* (1928), which led to the successful growth of the Walt Disney Studios. In celebration of his 50th anniversary on 13 November 1978, Mickey became the first cartoon character ever to receive a star on the Hollywood Walk of Fame.

"When people laugh at Mickey Mouse it's because he's so human, and that is the secret of his popularity"

- Walt Disney

SNOW WHITE

Born a princess, yet treated poorly by her wicked stepmother, Snow White takes her trials in stride. She finds a new, loving home with the Seven Dwarfs in their humble yet cosy cottage. With her mild, joyful manners and caring nature, she wins the trust and devotion not only of the Dwarfs, but of all animals and creatures she encounters. *Snow White and the Seven Dwarfs* (1937) was Walt Disney's first full-length animated film. Critics believed nobody would pay to watch a full-length cartoon movie, yet Disney believed in the story and, over time, the movie has become the highest-grossing animated film.

"I dream, I test my dreams against my beliefs, I dare to take risks and I execute my vision to make those dreams come true."

- Walt Disney

TINKERBELL

Tinkerbell's delicate figure holds a strong, bubbly personality: She is feisty and sassy with friends and adversaries alike. She can mend everything from pots and pans to intricate, mechanical contraptions, and help others fly with a sprinkle of her pixie dust on her adventures in Neverland and beyond. From the popular side character in the *Peter Pan* movie (1953), Tinkerbell became the first mascot for the *Walt Disney's Disneyland* TV show (1954). She is still an unofficial mascot for Disney Parks around the world and on our screens, where her pixie dust fireworks whisk us into magic realms. Since 2005, she has been the central figure in the Disney Fairies franchise, and in 2010, she received her star on the Hollywood Walk of Fame.

*"Laughter is timeless,
imagination has no age.
And dreams are forever."*

- Walt Disney
