WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

LEGO.com/sustainable-packaging

Masters of mischief. Mua-ha-haa!

We always find familiar comfort in the magical worlds of our favorite Disney heroes... But what would a great story be without the wonderfully wicked, devious antagonist? Join us in celebrating a century of Disney's formidable foes, mischievous miscreants, sinister scoundrels and wily witches!

Les maîtres de l'espiègerie. Moua-ha-haa !

Nous trouvons toujours un réconfort familier dans les mondes magiques de nos héros de Disney préférés... Mais que serait une grande histoire sans l'antagoniste merveilleusement méchant et sournois ? Rejoignez-nous pour célébrer un siècle d'ennemis redoutables, d'espiègles mécréants, de sinistres scélérats et de sorcières rusées de Disney !

Maestros de la malicia. ¡Mua-ja-ja!

Siempre encontramos consuelo en los mundos mágicos de nuestros héroes favoritos de Disney, ¿pero qué sería de una gran historia sin un tortuoso antagonista maravillosamente retorcido? Acompáñanos a celebrar un siglo de formidables enemigos, traviesos bribones, siniestros sinvergüenzas y astutas brujas con el sello de Disney.

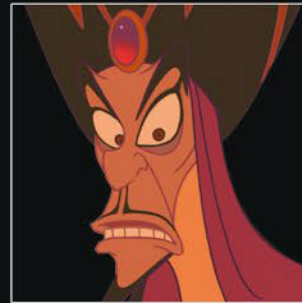

The charm of imperfection

Remember watching your favorite Disney story as a kid? We would play those VHS cassettes and DVDs until they wore thin! Even now, they still make us laugh and give us the chills – the good AND the scary kind. We love watching our heroes conquer their kingdoms over and over. In every memorable story arc, the hero overcomes adversity to emerge stronger than ever. Enter the evil queen, the pesky pirate, the scorned witch, the charming, devious suitor, or the jealous usurper to the throne. We recognize them by their sneering smiles, crooked eyebrows and cunning wit that tickle our inner DANGER alert in the most intriguing manner.

Le charme de l'imperfection

Vous vous souvenez avoir regardé votre histoire de Disney préférée quand vous étiez enfant ? Nous faisons jouer ces cassettes VHS et ces DVD jusqu'à l'usure ! Aujourd'hui encore, ils nous font rire et nous donnent des frissons – à la fois agréables et effrayants. Nous aimons voir nos héros conquérir leur royaume encore et encore. Dans chaque arc narratif mémorable, le héros surmonte l'adversité pour en sortir plus fort que jamais. C'est là qu'entre en scène la reine maléfique, le vilain pirate, la méchante sorcière, le prétendant charmant et sournois, ou l'usurpateur jaloux du trône. Son sourire narquois, ses sourcils crochus et son esprit rusé déclenchent notre alerte intérieure de danger de la manière la plus intrigante qui soit.

El encanto de la imperfección

¿Recuerdas haber visto tu historia Disney favorita cuando eras joven? ¡Reproducíamos las cintas VHS y los discos DVD una y otra vez hasta que se desgastaban! Incluso hoy siguen haciéndonos reír y dándonos escalofríos (de los buenos Y de los que dan miedo). Nos encanta ver cómo nuestros héroes conquistan sus reinos una y otra vez. En todos los arcos argumentales memorables, el héroe supera la adversidad para resurgir con más fuerza que nunca. Damos la bienvenida a una reina malvada, un molesto pirata, una bruja despechada, un pretendiente tan encantador como ladino y un celoso usurpador del trono. Los reconocemos por sus sonrisas burlonas, sus cejas torcidas y su astuto ingenio, que activan todas nuestras señales de alerta de la manera más intrigante.

From the design team

"This is the first LEGO® set designed around Disney Villains! As a 90s kid, most of my Disney movie memories are intrinsically linked to VHS tapes. Even when you side with the hero, it's always interesting to see the story from the villain's perspective. You recognize their evilness but understand the layers of their personality and questionable actions. Inspired by a special edition Disney DVD collection with a cover solely focused on the villains of the stories, we explored the idea of creating VHS tapes of some of the classics.

Each object in the model has layers of references and secrets! Maleficent and Jafar are hidden inside their cassettes. The *Beauty and the Beast* book, referencing Belle's love of reading, has a hidden drawer where Gaston can hide, and a pop-up compartment with the magical rose, the symbol of the Beast's curse. Snow White's poisonous apple opens to reveal the Evil Queen in Disguise. And the pocket watch has the silhouette of Peter Pan and the kids flying on the front, and a nod to Captain Hook on the back!"

Marcos Bessa, LEGO® Design Master

“During development, the code name for the set was ‘Villainous Hidden Secrets’, aka ‘VHS’.”

Un mot de l'équipe de conception

« C'est le premier ensemble LEGO® consacré aux Méchants de Disney ! En tant qu'enfant des années 90, la plupart de mes souvenirs de films de Disney sont intrinsèquement liés aux cassettes VHS. Même si vous êtes du côté du héros, il est toujours intéressant de voir l'histoire du point de vue du méchant. Vous reconnaissez sa méchanceté, mais comprenez les différentes facettes de sa personnalité et de ses actions douteuses. Inspirés par une édition spéciale d'une collection de DVD de Disney dont la couverture était exclusivement consacrée aux méchants des histoires, nous avons étudié l'idée de créer des cassettes VHS de certains classiques.

Chaque objet du modèle renferme une multitude de références et de secrets ! Maléfique et Jafar sont cachés dans leurs cassettes. Le livre *La Belle et la Bête*, qui fait référence à l'amour de Belle pour la lecture, comporte un tiroir caché où Gaston peut se dissimuler, ainsi qu'un compartiment amovible contenant la rose magique, symbole de la malédiction de la Bête. La pomme empoisonnée de Blanche-Neige s'ouvre pour révéler la Reine-sorcière déguisée. Et la montre à gousset présente la silhouette de Peter Pan et des enfants qui volent à l'avant, et un clin d'œil au capitaine Crochet à l'arrière ! »
Marcos Bessa, maître de la conception LEGO®

« Pendant le développement, le nom de code de la série était “Villainous Hidden Secrets” (“Secrets maléfiques cachés”) ou “VHS”. »

Impresiones del equipo de diseño

“Este es el primer set LEGO® inspirado en los Villanos Disney! Como niño de los 90, la mayoría de mis recuerdos de las películas Disney están inseparablemente ligados a las cintas VHS. Incluso cuando te pones del lado del héroe, siempre es interesante ver la historia desde la perspectiva del villano. Reconoces su maldad, pero comprendes las capas de su personalidad y sus acciones cuestionables. Inspirados por una colección Disney de DVD de edición especial cuya portada se centraba únicamente en los villanos de las historias, exploramos la idea de crear cintas VHS de algunos de los clásicos.

¡Cada uno de los objetos del modelo tiene varias capas de referencias y secretos! Maléfica y Jafar están escondidos dentro de sus casetes. El libro de *La bella y la bestia*, que hace referencia al amor de Bella por la lectura, tiene un cajón oculto donde Gastón puede esconderse y un compartimento emergente con la rosa mágica, símbolo de la maldición de Bestia. La manzana envenenada de Blancanieves se abre para revelar a la Reina Malvada disfrazada en su interior. Por último, el reloj de bolsillo tiene las siluetas de Peter Pan y los niños volando en el frente, ¡y un guiño al Capitán Garfio por el reverso!”
Marcos Bessa, maestro de diseño de LEGO®

“Durante el desarrollo del set, su nombre en clave fue Villainous Hidden Secrets, cuyas siglas, apropiadamente, eran VHS”.

Playing with design

"To create a loving, nostalgic vibe for these iconic films and villains, we included a bunch of the design 'language' from each film. The filigree on the book spine represents the look and feel of *Beauty and the Beast*, and the film strip inside *The Little Mermaid* cassette adds a little extra VHS spark. We added Peter Pan and the gang to the pocket watch to show that it belonged to Captain Hook and, if you look closely at the Queen of Hearts playing card, you might see she is missing a certain something. And we'll let you discover all the rest as you build!"
Niken "Nikki" Ayumurti Hartomo, Senior LEGO® Graphic Designer

Jouer avec la conception

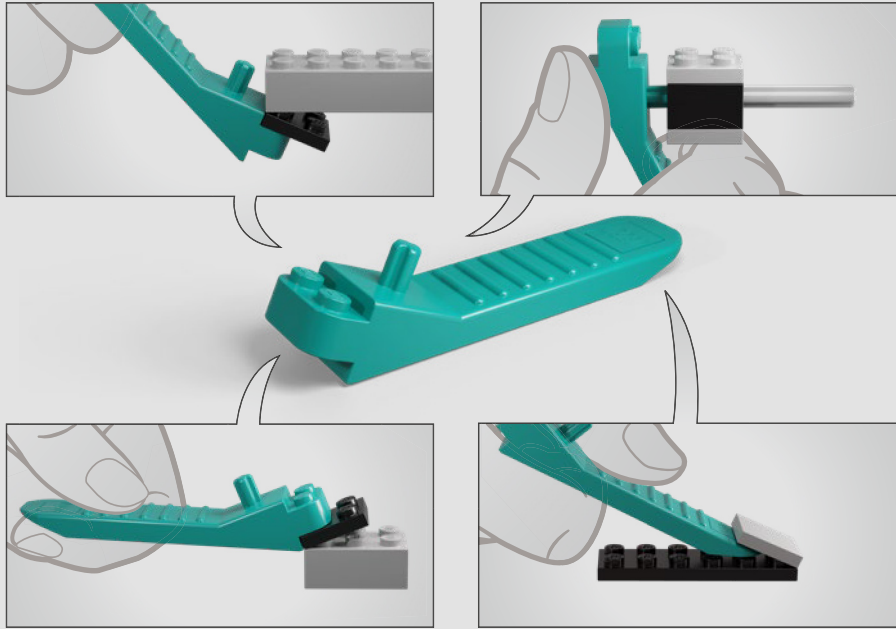

« Afin de créer une ambiance nostalgique et attachante pour ces films et ces méchants emblématiques, nous avons inclus une partie du "langage" conceptuel de chaque film. Le filigrane sur le dos du livre reflète l'esthétique de *La Belle et la Bête*, et la bande de film à l'intérieur de la cassette de *La Petite Sirène* ajoute une petite touche de VHS supplémentaire. Nous avons ajouté Peter Pan et sa bande à la montre à gousset pour montrer qu'elle appartenait au capitaine Crochet et, si vous regardez attentivement la carte à jouer de la Reine de cœur, vous remarquerez peut-être qu'il lui manque un petit quelque chose. Et vous pourrez découvrir tout le reste au fur et à mesure de votre construction ! »
Niken « Nikki » Ayumurti Hartomo, graphiste principale LEGO®

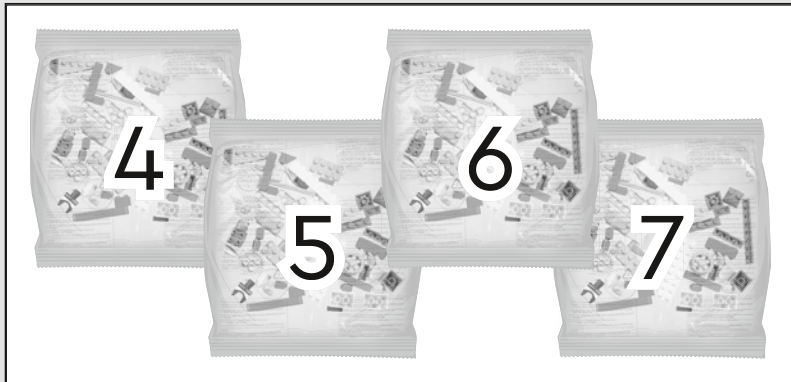

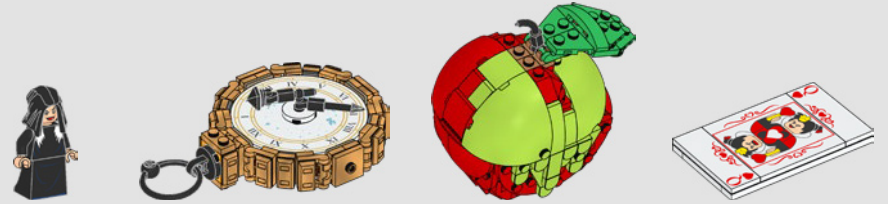

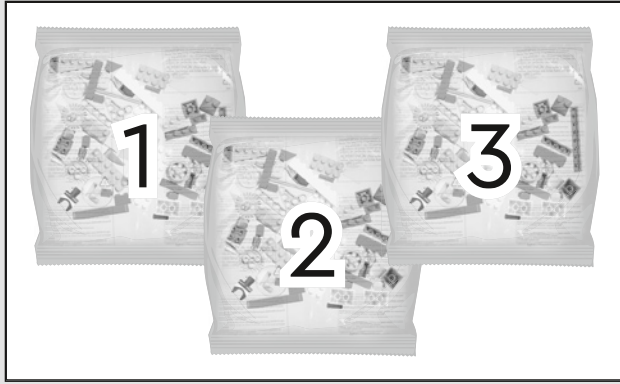

Un diseño divertido

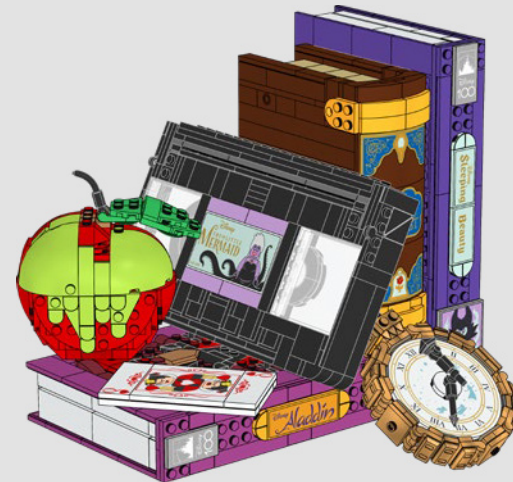

"Para crear un ambiente entrañable y nostálgico a la altura de las icónicas películas y villanos, incluimos abundantes muestras del 'lenguaje de diseño' de cada película. La filigrana del lomo del libro representa la estética de *La bella y la bestia* y la tira de película del interior del casete de *La sirenita* aporta un poco de la chispa de una cinta VHS auténtica. Añadimos a Peter Pan y sus amigos al reloj de bolsillo para mostrar que este pertenecía al Capitán Garfio y, si te fijas bien en la carta de la Reina de Corazones, verás que le falta algo. Dejaremos que descubras todo lo demás mientras construyes".
Niken "Nikki" Ayumurti Hartomo, diseñadora gráfica sénior de LEGO®
