“GOOD PEOPLE
STILL LIVE IN
CRIME ALLEY.”
– BATMAN™

● *Batman: The Animated Series* (1992–1995) became an instant hit when it first aired and is still loved by critics and fans of all ages for its award-winning writing, animation and original soundtrack. Inspired by the original DC Batman™ comic book storylines, BTAS offered fans elaborate backstories for

every villain in the Caped Crusader™ rogues' gallery. The show featured popular voice actors and guest stars, dramatic, haunting music, iconic character design and the inspirational 'Dark Deco' art style. The depth of the show's impact on pop culture cannot be overstated – it can still be seen to this day.

BATMAN

BUILDING THE LEGO® GOTHAM CITY™ SKYLINE

Inspired by the 85 original episodes of *Batman: The Animated Series*, the LEGO® *Batman: The Animated Series* Gotham City™ skyline recreates the dynamic colours, iconic buildings,

characters and events from the show. Every detail, vehicle, structure and decoration has been taken from a specific scene, episode or moment between the show's heroes and villains. Just like in the show, the 'Dark Deco' city hides a vast underworld where dastardly dealings and cunning coups unfold in the shadows. The display itself is designed to be a nostalgic and fun building experience packed with hidden references and details. Team up with your favourite sidekick or fellow BTAS fan for a two-person building experience. Unless, like Batman™ sometimes prefers, you want to be a solitary hero.

FROM THE DESIGN TEAM

● "The 'Dark Deco' art style was the inspiration behind the idea. The emotional sophistication and dramatic visual simplicity was a fun challenge to emulate with bricks. To convey the style, only 15 colours are used, except where characters have left their mark."
