Nascondi i doblioni nel forziere!

Guardie imperiali, a raccolta! I pirati sono tornati! Questo set LEGO® Icons rende omaggio a uno dei modelli preferiti dei fan di tutti i tempi, la Fortezza Eldorado 6276 del 1989. Il set originale portava in vita le avventure dei pirati per gli appassionati che desideravano levare l'ancora e salpare alla ricerca di un ricco tesoro. Alcuni decenni dopo, il modello è ancora un oggetto molto amato dai collezionisti. Non possiamo nemmeno immaginare tutte le storie che questi personaggi hanno raccontato nelle stanze dei bambini da allora!

Oggi, la nuova Fortezza di Eldorado è un porto fiorento con un nuovo Governatore e un reggimento di fidate guardie imperiali. Sono pronti come sempre a proteggere il loro paradiso tropicale dai pirati determinati a saccheggiarlo. Dalle segrete più buie e profonde alla cima della torre principale, la fortezza è un tesoro di misteri e storie da scoprire. Issa le ancore, spiega le vele e segui la bussola verso nuove avventure.

La Fortezza di Eldorado 6276 del 1989

Golden Sovereign

Il set originale includeva un fumetto piratesco intitolato "The Golden Medallion"/"The Golden Sovereign" (6255), che raccontava le rocambolesche avventure del Governatore Broadside e dei suoi amici e nemici. La storia si svolgeva su un'isola idilliaca, dove il Governatore viveva una vita tranquilla... fino a quando non arrivò una chiassosa e rissosa banda di pirati! Il fumetto raccontava la divertente storia dei piani di Broadside, determinato a tenere a bada il bellicoso Capitan Barbarossa e la sua ciurma di codardi.

Passato e presente

In passato, la Fortezza di Eldorado è sempre stata un po' misteriosa. Cosa c'era dentro? Come facevano i pirati a scappare continuamente dalla prigione? Quali tesori custodivano le Guardie imperiali del Governatore? Ebbene, tutti i segreti dell'Eldorado stanno per essere svelati. Dietro ogni angolo, c'è una nuova storia da costruire. Progettato come set modulare, il modello si apre in modo da poter sbirciare all'interno e riorganizzare la fortezza a piacimento.

Trova le differenze

Il design del modello ricrea tutto il fascino del set originale e include indizi sulle molte storie che si sono svolte qui negli ultimi 30 anni. Cerca di individuare i dettagli che ti ricordano il set originale e scopri le caratteristiche, le funzioni e le minifigure aggiornate.

La Fortezza di Eldorado originale comprendeva due barche a remi che sono state sostituite in questo set dalla nave più moderna inclusa nel set 6277 del 1992.

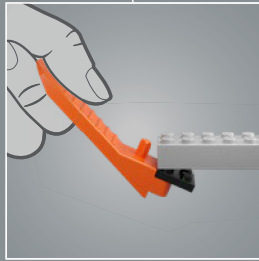

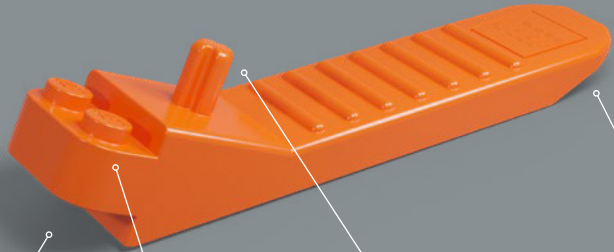

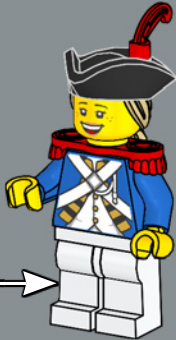

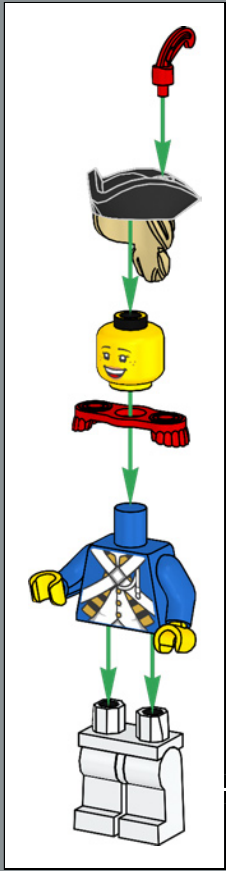

È ora di continuare la storia

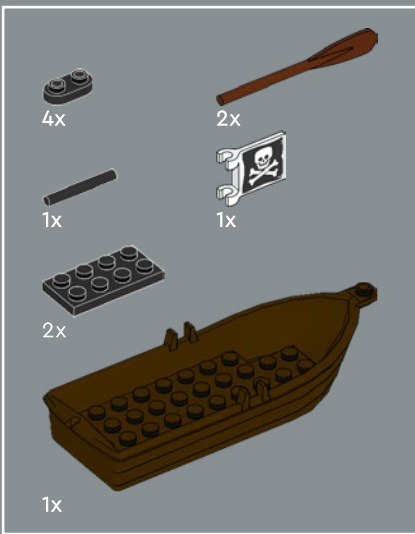

"Il modello originale ha un design eccezionale e sappiamo che molti adulti che hanno giocato con il set da bambini provano ancora un grande affetto per questa fortezza. Siamo entusiasti di invitarvi a tornare per una reunion ricca di azione! Negli ultimi decenni, alcune aree della fortezza sono state chiaramente alterate dall'usura e dagli incontri occasionali con i pirati. Altre aree sono state ammodernate per soddisfare le esigenze dei viaggiatori moderni e per aiutare il governatore a tenere a bada gli accaniti pirati. Spero che questa versione aggiornata riporti alla mente i ricordi più belli e ne crei di nuovi!"

Pierre Normandin - LEGO® Icons Senior Designer

Il set originale comprendeva due barche a remi. Beh... i tempi sono cambiati, anche per i pirati, e navi più grandi possono ora attraccare al molo.
