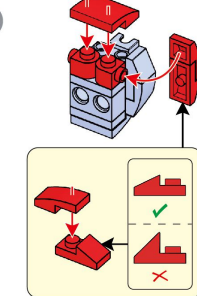

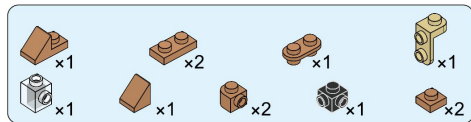

Diagram 83 shows the red power cord being plugged into the power jack on the back of the printer. A red arrow points from the power cord to the jack.

1

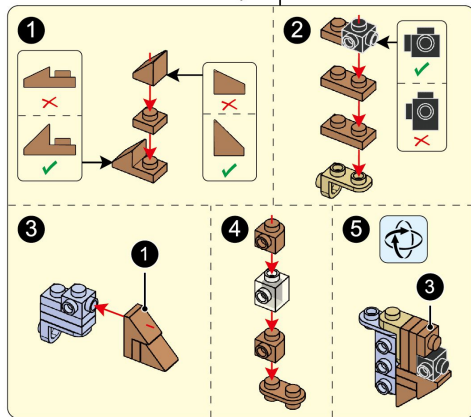

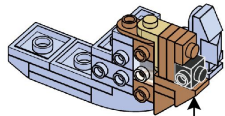

2

Diagram illustrating the assembly steps for the base structure:

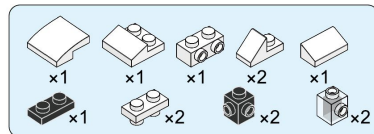

- Step 1:** A 1x2 brick is placed on a 1x2 brick with a 1x2 brick on top. The top brick is shown in two orientations: one with a green checkmark (correct) and one with a red X (incorrect).
- Step 2:** A 1x2 brick is placed on a 1x2 brick with a 1x2 brick on top. The top brick is shown in two orientations: one with a red X (incorrect) and one with a green checkmark (correct).
- Step 3:** A 1x2 brick is placed on a 1x2 brick with a 1x2 brick on top. The top brick is shown in two orientations: one with a green checkmark (correct) and one with a red X (incorrect).
